PROFESSIONAL EXPERIENCE

External Audit Intern

Grant Thornton, UAE | Jan 2026 – June 2026

Core member of the audit team on full-cycle engagements, owning financial statement line items end-to-end and supporting entity-level audits under tight deadlines.

- Performed substantive testing and analytical review of financial statement line items, flagging variances and anomalies for management reporting.
- Reviewed and finalized financial statements for client sign-off, cross-checking figures against supporting schedules.
- Partnered directly with clients to gather evidence, resolve queries, and ensure timely completion of engagements.
- Recognized by seniors and managers for strong analytical ability, technical accuracy, and speed under deadline pressure.

Accounts Receivable Specialist

Elite Reach, Dubai | Dec 2024 – March 2025

Managed billing, collections, and reconciliations to keep financial records accurate and audit ready.

- Monitored billing cycles and data collections, tracking trends to ensure accurate and timely financial recording.
- Investigated variances through account reconciliations, resolving discrepancies through direct stakeholder communication.
- Recognized for turning around reconciliation issues faster than the team average.

Finance and Accounting Intern

Sarsan Contracting L.L.C, Dubai | Jun 2024 – Sep 2024

Supported financial reporting accuracy by identifying and correcting data entry errors across the accounting system.

- Corrected data entry errors, improving reporting accuracy and operational reliability.
- Recommended for a permanent-track opportunity based on performance and attention to detail.
